

Oralade[®], your first step on the road to recovery

NOW Buy 2 get 1 FREE!

+ GI Support

+ RF Support

It's all about early enteral nutrition to help with patient recovery from gastroenteritis, pancreatitis, and post-GI surgery.

Oralade[®] is the right solution.

- With glutamate and glycine to support gut repair
- Ultra-low fat for use in pancreatitis
- Isotonic with electrolytes and glucose for fast absorption
- Natural chicken flavour that pets love

	QUANTITY OF PACKS ORDERED*
GI SUPPORT 6 X 500ML or RF 6 X 330ML
